

Hub City PBE/COLORMATCH is a family owned and operated business located in Jackson, Tennessee. The company originally began in 1946 as a small auto parts store, changing and diversifying over the years to become a leader in the distribution of collision repair products to the auto body industry, as well as a distributor of paints and coatings to the aviation, industrial, and marine industries.

We have achieved success by selling quality products and providing specialized services that solve problems and lead to the profitability of our customers. Our mission statement exemplifies our attitude and commitment:

"We provide exceptional service through Courtesy, Integrity, and Knowledge to achieve a mutually beneficial and profitable long term relationship with our customers, employees, vendors, and industry associates."

AIM for the best products and services available for your company. *COLORMATCH* offers big business expertise and attention to detail with down-home passion for going beyond the expectations of our customers.

Aviation

COLORMATCH supplies exceptional quality products for the Aviation Industry—

DuPont™ Corlar® Imron®

Pre-Treatments

Primers & Surfacer

Single Stage Topcoats

Basecoat & Clearcoats

Interior Finishes

& additional Aviation Products

Industrial

DuPont™ Industrial Coatings has provided solutions that have worked for more than 85 years. Products range from primers to direct-to-metal coatings, topcoats & clearcoats—

Imron® polyurethanes
Corlar® epoxies
Tufcote® acrylic & alkyds.

DuPont Industrial products provide outstanding gloss retention, exceptional durability, wide color offering, and fast dry times.

In head-to-head tests with the best-performing challenger, DuPont™ Imron® topcoats demonstrated superior impact resistance, retaining their gloss and mirror-like finish longer than the competition under accelerated environmental exposure.

Marine

COLORMATCH supplies exceptional quality products for the Marine Industry—

DuPont™ Corlar® Imron®

Surface Preparation Products

Fairing Compounds

Undercoats

Basecoat & Clearcoat

Topcoats

Wood Systems

The results speak for themselves – aircraft, industrial products, and vessels painted with DuPont coatings require less finish maintenance over time – reducing the costs and keeping investments looking better longer.

When selecting the right coatings for your business, there's no room for compromise. DuPont coatings are designed to exceed the most stringent standards for appearance and durability, and keep you compliant with environmental regulations.
