Hot Candy Colors

More than two centuries of continual innovation has allowed DuPont's Research and Development team to produce a top quality product that creates new levels of visual excitement. The Hot Candy Color concentrated dye offering provides superior color purity, clarity, and brightness.

The result: finishes with exceptional depth and luster. Available in an array of colors, the Hot Candy Colors are compatible with all Hot Colors Basecoats to offer endless styling options. Hot Candy Colors enhance the visual impact of existing colors and help unleash the custom colors of your imagination!

Hot PinStripe Efx™

Hot Hues™ Hot PinStripe Efx™ products add the perfect finishing touch to any custom project. Available in an array of solid, metallic, pearlescent and color-shift colors, they provide exceptional coverage and brushability for pin striping, lettering and airbrush projects.

Hot PinStripe Efx™ are available in convenient 1/2 Pint cans. The activator and reducer are offered in pint cans. Create your own custom striping color by mixing solid, metallic or pearlescent Hot PinStripe Efx™ colors together. Easy to use for a novice graphic artist or the most experienced pin-striper.

Hot Efx™ Brilliantz™ HHM-6390™

When viewed in direct light, vibrant rainbow-producing prisms appear to dance over a liquid color. The combination of Hot Efx™ Brilliantz™ with any Hot Colors Basecoats and Hot Candy Colors creates an iridescent, radiant metallic appearance never seen before.

Hot Efx™ Brilliantz™ opens new worlds of design possibilities allowing painters to create masterpieces that are truly unique and more spectacular than ever before.
