The DuPont™ Hot Hues™ palette of premium customer color and special effect finishes allows you to create a unique work of art out of any customer vehicle. The Hot Candy Color concentrated dye offering provides superior color purity, clarity, and brightness with exceptional depth and luster. Hot Candy Colors enhance the visual impact of existing colors and help unleash the custom colors of your imagination! Just in the same way as they did for Jeff Gordon and Chip Fosse!

Please refer to the back page for a list of Hot Hues™ products on sale. We carry a full product line with great prices, so please check with your local store if you do not see exactly what you are looking for!

3M

Introducing 3M™ Automotive Refinish Masking Tape GREAT for you and the environment!

A new mid-tier alternative to meet your critical masking needs:

- Sticks and stays when applied—no lifting or edge curl
- Flexible and conformable—consistent application without breaking or cracking
- Leaves a sharp, clean paint line with no paint or clearcoat build-up
- Clean and easy removal—no adhesive transfer, even when exposed to UV and moisture
- Waterborne compatible

Call or visit our store for low introductory prices on these new 3M products
