

Colormatch News Bulletin—December 3, 2012

ANNOUNCEMENT

Colormatch is consolidating two area stores into one facility. We are combining the location and operations of our Owensboro, KY and Evansville, IN stores within the existing Evansville facility. Retail sales, deliveries, and all services currently handled by Owensboro will seamlessly transfer to the Evansville location, without any interruption of service to our customers.

Since only a few miles separate both stores, we can increase operational efficiency by combining our locations. We greatly appreciate our customers, and look forward to consolidating our teams in a way that benefits customers currently served by both stores. We believe that the decision to unite in one facility will allow us to provide an enhanced level of service for all of our customers in the region.

We appreciate you and thank you for your business, and we sincerely look forward to serving you at our Evansville location. **Operations at the Owensboro store will conclude by Friday, December 7, 2012.** Please contact us if you have any questions, or require directions to our Evansville store:
