Tork Automotive Wipers

All of the fine Tork products listed on this flyer are currently available from COLORMATCH. Be sure to contact your local store or sales rep for pricing and delivery details. Tork Wipers are designed to fit the rigorous requirements of the automotive industry for light, medium, heavy, and specialty tasks. High-performance wipers are vital in most workplaces tasks, both for hygiene and productivity. Tork has the solution for your cleaning, wiping, and polishing needs.

Hand Washing Tip

Most everyone knows that soap and water will help to wash off bacteria, but did you know that thorough drying is equally important. Using a disposable paper towel with a high level of absorbency is the quickest way to ensure that hands are clean and safe. Research results clearly show that the dryer your hands, the less bacteria there is on them. So be sure to completely dry your hands after washing with a soft and absorbent Tork towel .
